What is Kiwanis?

Who are the LAX Kiwanis?

Founded in 1954, we are a diversified mix of community minded individuals and business professionals from all industries and backgrounds, with an age range of 30-80. As a purely volunteer organization, we are proud that more than 97% of every dollar we raise goes directly towards the community.

How We Serve The Community?

Our Scholarship recipients usually have the highest GPA's in their class while at the same time, family income levels below the poverty line.

Flagship fundraiser is our **Annual Scholarship Golf Tournament**, which is going on it's 27th year. This spectacular event raises more than \$30,000 a year towards our scholarship fund.

Additionally, we partner with the Ronald McDonald House in Long Beach by serving "Kids Meals" for the families residing there. We also host local children in need for our annual **Back to School Shopping Spree**, which is held at Kohl's in Westchester, Ca. This allows the children to have a new backpack or new shoes for the school year!

Our Holiday Basket Programs are aimed at the most vulnerable families. Families with children that are exposed to extreme poverty, unemployment, single parents homes that have little or no Holiday Cheer in their lives. We try to make sure that every kid has had a cheerful Christmas morning.

YMCA Summer Camp:

Every Year, we raise funds to send kids to the local mountains for a week. Often, it's their first time!
